

Radial SCOB Heat Sinks

ILA-HSINK-RADL-XXXXXXXMM-BLK

ILS has a series of Aluminium Alloy Heat Sinks to be used with our standard range of SCOB (Surface Mount Chip on Board) and are Zhaga compliant. As a standard these Heat Sinks are available in black. More versions will be introduced in the coming months and we are also happy to manufacture custom Heat Sinks to your request.

ABOUT ILS

ILS offers a high level of technical skill, professionalism and commercial understanding to companies requiring market-leading optoelectronics solutions. Offering conceptual advice, electronics design and manufacturing capability, we use high quality production resources both in-house and in Asia, providing project support from prototyping to mass production. We also understand the need to provide cost-effective solutions and we do so using high quality components to ensure that the end product's reliability and quality is uncompromised. Apart from LEDs in the visible spectrum, we have a wide range of Infrared, UV LEDs, UV tubes, and lasers.

ILS is a division of Intelligent Group Solutions Ltd (IGS) a well-established respected industry leading Optoelectronics solutions provider. Much of IGS' business comes from providing semi-custom or custom products both in component and sub-assembly form, and from providing design support and prototyping within the European market place. We can deliver production displays to wherever in the world that the customer's manufacturing or assembly is being undertaken.
